

## German Pavilion 18 - 20 June 2025 Johannesburg/South Africa

**Deadline:  
3rd March 2025**

### The Event

The Big 5 Construct Southern Africa, formerly the African Construction Expo, makes a significant contribution to the economic growth and transformation of the construction industry in Southern Africa. It is one of the largest construction trade fairs on African and will take place for the 11th time in 2025. At the most recent event in 2024, 242 exhibitors from over 40 countries showcased the latest innovations and trends in the construction industry, covering areas such as technology, machinery, building materials, and interior design.

### Your Advantages at the German Pavilion

- Reduced participation fees
- Comprehensive support before and during the trade fair
- Top placement and high visibility within the event
- Exhibitor lounge with snacks and beverages
